Hazelden  
VTR/RJ 387/.A25/H5/2001

Presents the latest information about HIV and AIDS, along with testimonials by people who have tested HIV positive. It's a video that informs, inspires, and assures - that life with HIV is possible

**IV positive : an educational documentary about living positive (aliz)**

Senior 1-Senior 4; 42 minutes  
VHS; 1999  
Kinetic  
VTR/RJ 387/.A25/I8/1999

"IV Positive" is a unique, educational documentary – made for and by injection drug users. Bill, Lori, Ed and Jacob are active addicts who share their stories and their experiences with HIV, and living positive. The video speaks directly to users about the importance of shooting safely, getting tested and learning that HIV is not about death, it's about living. **(LANGUAGE WARNING)**
