### **LIBRARY OUTREACH - Jackie**

To arrange for library orientations and presentations.

Phone:                         944-6275  
Email:                         [jmassey@afm.mb.ca](mailto:jmassey@afm.mb.ca)

The Addictions Foundation of Manitoba  
Library  
New acquisitions  
April 2008

**BOOKS**

**ALCOHOLISM TREATMENT**

**Helping patients who drink too much: a clinicians guide** / National Institute on Alcohol Abuse and Alcoholism

Access Key: auzk

Call Number: RC 565/.H35/2005

Abstract:

This guide is written for primary care and mental health physicians. It includes information regarding how to help patients who drink too much as well as clinician support and patient education materials.

**ALCOHOLISM IN PREGNANCY**

**The Smart guide: motivational approaches within the stages of change for pregnant women who use alcohol: a training manual for service providers**  
/ by Wendy Reynolds

Access Key: avbi

Call Number: RG 580/.A46/S624/2002

Abstract:

The purpose of this training guide is to provide information for service providers regarding intervention, stages of change, motivational techniques, and approaches & strategies when dealing with pregnant women who use alcohol.

**CHILD PROSTITUTION**

**Demand for child victims** / by Donna Hughes

Access Key: avbc

Call Number: HQ 281/.H84/2002

Abstract:

The focus of this paper is on the demand for victims, with particular emphasis on the men who purchase sex acts.

**CHILD WELFARE**

**Primer anthology: sharing our stories to make a difference: a compilation of stories and research** / by Linda Manser

Access Key: avar

Call Number: HV 1441/.C3/P75/2006

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
April 2008**

Abstract:

The primer anthology is based on consultations with young people in care across Canada. Stories of youth are presented for the purpose of making caregivers more aware of how to support those individuals who are in care.

**The Reliability and Predictive Validity of Consensus-Based Risk Assessment /**

by James Barber

Access Key: avbh

Call Number: HV 741/.R45/2007

Abstract:

The object of this study was to assess the reliability and predictive validity of Ontario's Risk Assessment Tool, as well as its intended as well as unintended effects on social work practice.

**COMPULSIVE BEHAVIOR**

**Fragmented intimacy : addiction in a social world / Peter J. Adams**

Access Key: avbk

Call Number: RC 533/.A278/2008

Abstract:

Fragmented intimacy examines how an addiction can isolate an individual from social connections to family, friends, workplaces and communities.

**In the realm of hungry ghosts: close encounters with addiction / by Gabor Mate**

Access Key: avbl

Call Number: RC 533/.M38/2007

Abstract:

Gabor Mate looks at addiction in society, as well as what causes people to become addicted.

**DRUG TESTING**

**The marijuana detection window: determining the length of time cannabinoids will remain detectable in urine following smoking: a critical review of relevant research and cannabinoid detection guidance for drug courts /by**

Paul L. Cary

Access Key: auzq

Call Number: HV 5823/.C37/2005

Abstract:

This review challenges the common assumption that cannabinoids will remain detectable in urine for 30 days or longer following the use of marijuana.

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
April 2008**

**DRUG TRAFFICKING**

**Drug trafficking: perspectives from Europe, Latin America and the United**

**States** / Centro de Estudios Socioculturales e Internacionales - CESO

Access Key: auzm

Call Number: HV 5825/.D77693/2005

Abstract:

Proceedings from an international drug trafficking seminar that had experts from the United States, the European Union, and Latin America describing and analyzing this issue as well as how it is dealt with in their regions.

**Global illicit drug trends** / United Nations Office for Drug Control and Crime Prevention

Access Key: auzh

Call Number: HV 5800/.G56/2002

Abstract:

This report contains estimates of illicit drug production, trafficking, and consumption, supplemented by an analysis of illicit opiate markets.

**FAMILY**

**The importance of family dinners** / The National Center on Addiction and Substance Abuse

Access Key: auzp

Call Number: HQ 536/.F3653/2007

Abstract:

Family dinners are one way to ensure that parents can be engaged in their children's lives. This CCSA survey seeks to address the relationship between substance abuse risk and frequent family dinners.

**FETAL ALCOHOL SYNDROME**

**Enhancing fetal alcohol syndrome (FAS) - related interventions at the prenatal and early childhood stages in Canada** / by Gary Roberts and Margaret Leslie

Access Key: avbq

Call Number: RG 629/.F45/L47/2001

Abstract:

FAS/ related activities have been integrated with the Community Action Program for Children and the Canada Prenatal Nutrition Program to support and convey prevention information for pregnant women and children at risk. The purpose of this project was to find gaps in FAS related activity in the prenatal and early childhood stages.

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
April 2008**

**Fetal alcohol syndrome : a hopeful challenge for children, families and  
Communities** / by Carol Oliver, Heather White, and Dr. Margaret Edwards

Access Key: aozu

Call Number: RG 629/.F45/F473/1998

Abstract:

Equitable consulting services was contracted to explore the feasibility of piloting FAS/FAE projects in Alberta. Using a multidisciplinary approach, a team of consultants were used to assist with this project.

**Fetal alcohol syndrome: practical suggestions and support for families and  
caregivers** / by Kathleen Tavenner Mitchell

Access Key: avbm

Call Number: RG 629/.F3/M58/2002

Abstract:

This handbook was written to help families with the various stages of FAS. It will also help families plan, strategize, and cope with family members with FAS.

**Health Canada FAS/FAE initiative: information and feedback sessions: national  
synthesis report** / by Beth McKechnie,

Access Key: avbo

Call Number: RG 629/.F45/H43/2000

Abstract:

This report is concerned with the gaps, needs, and issues pertaining to FAS/FAE. The role of Health Canada as well as other groups is explored, and example of successful partnerships is provided.

**Letters to our children, letters from our children : living with fetal alcohol  
syndrome and alcohol related effects** / edited by Dorothy E. Badry & Liz  
Lawryk

Access Key: avbp

Call Number: RG 629/.F45/C47/2000

Abstract:

Part I and II consist of letters written by families and children affected by FAS/FAE.

**Teaching students with fetal alcohol syndrome and possible prenatal alcohol-  
related effects** / Special Education Branch (Alberta)

Access Key: avbe

Call Number: RG 629/.F45/T43/1997

Abstract:

This resource provides educators with a basic understanding of the characteristics associated with fetal alcohol syndrome and possible prenatal

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
April 2008**

alcohol-related effects (PPAE) and the issues and strategies relevant to the education of students with the syndromes.

Access Key: auzj

Call Number: RJ 506/.P66/U53/2007

Abstract:

The Adolescent Trauma and Substance Abuse Committee of the National Child Traumatic Stress Network has created this toolkit of materials for health care providers, parents, and teenagers, to raise awareness about the needs of youth with traumatic stress and substance abuse problems, and to promote evidence based practices in clinical settings.

<b>GAMBLING</b>
-----------------

**Internet Gambling & Addiction** / by Howard J. Shaffer

Access Key: auzn

Call Number: RC 569.5/.G35/.S53/2004

Abstract:

This study considers whether the nature of addiction is different for different objects of addiction. As well, risk factors associated with gambling disorders and those related to internet gambling will be compared.

<b>HUMAN TRAFFICKING/ SEXUAL EXPLOITATION</b>
---

**Best practices to address the demand side of sex trafficking** / by Donna Hughes

Access Key: avat

Call Number: HQ 281/.H84/2004

Abstract:

This study focuses on the demand as well as the factors that enhance demand. Discussion will also include efforts to reduce demand which includes the prosecution and education of purchasers of sex acts.

**The demand for victims of sex trafficking** / by Donna Hughes

Access Key: avan

Call Number: HQ 281/.H84/2005

Abstract:

The goal of this report is to look at the demand side of trafficking, as well as to see how states exacerbate or suppress the commercial sexual exploitation of women and children.

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
April 2008**

**Creating options aimed at reducing sexual exploitation: a resource for communities exploring innovative Court Diversion options for prostitution-relating offenses** / The Prostitution Awareness and Action Foundation of Edmonton

Access Key: avau

Call Number: HV 9308/.C74/2004

Abstract:

This resource was designed to help communities who want to set up court diversion options for prostitution related offences.

**Falling short of the mark: an international study on the treatment of human trafficking victims** / The Future Group

Access Key: avay

Call Number: HQ 281/.F35/2006

Abstract:

This study evaluates the progress made by various developed countries towards implementing their international obligations to protect victims of human trafficking, and to access the treatment given to these victims.

**Press for Change: a guide for journalists reporting on the prostitution and trafficking of women** / by Julie Bindel

Access Key: avaz

Call Number: HQ 232.9/.A5/B56/2006

Abstract:

This pack has been developed for journalists who have an interest in trafficking of women for the purposes of prostitution. It has been designed to provide an understanding of prostitution so as to enhance accuracy in reporting.

**Sex trafficking of women in the United States** / by Janice G. Raymond, Donna M. Hughes, and Carol J. Gomez

Access Key: avbb

Call Number: HQ 115/.R29/2001

Abstract:

This study by the Coalition Against Trafficking Women researches both international and domestic trafficking of women for sexual exploitation in the United States. The focus is on interviews with women who have been trafficked and prostituted in the sex industry.

**Turning outrage into action to address trafficking for the purpose of sexual exploitation in Canada** / by Yasmin Ratansi

Access Key: avaq

Call Number: HQ 147/.C367/2007

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
April 2008**

Abstract:

The Standing Committee on the Status of Women Report concentrates on the prevention of trafficking, protection of victims, and the prosecution of offenders.

**Under the radar: the sexual exploitation of young men / by Susan McIntyre**

Access Key: avak

Call Number: HV 6570.4/.C25/M148/2005

Abstract:

Under the Radar, The Sexual Exploitation of Young Men - British Columbia Edition is a study that has been designed to help the BC and federal governments and their partners improve services for sexually exploited young men in the province. This study reveals the world of male prostitution and provides insight into the often unnoticed sexual exploitation of these young men.

**Victims of trafficking in persons: perspectives from the Canadian sector /**

Jacqueline Oxman Martinez, Marie Lacroix, and Jill Hanley

Access Key: avam

Call Number: HV 6593/.C2/O968/2005

Abstract:

The purpose of this study was to explore the need for policies that would protect trafficking victims as well as ensure that gender issues are considered within any policy framework. The researchers set out to discover the characteristics of trafficking in persons, victims needs in terms of protection and prevention, agencies responses, and gaps and barriers in service provision.

**Violence in the lives of sexually exploited youth and adult sex workers in BC: provincial research: final report / by Sarah Hunt**

Access Key: avao

Call Number: HV 6626/.H868/2006

Abstract:

Community based researchers went out to talk to people about the violence in their communities. Youth and adults were interviewed about their experiences with violence, talking to police about the role of the justice system in the lives of the victims.

<b>MANPOWER POLICY</b>
------------------------

**Labour market agreement for persons with disabilities (LMAPD) / Human Resources Development Canada.**

Access Key: auzl

Call Number: HD 5729/.M3/A3822/2005

Abstract:

This Canada-Manitoba Labour Market Agreement for Persons with Disabilities (LMAPD) Report describes activities that were cost shared

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
April 2008**

under the LMAPD during the 2005/2006 fiscal year.

<b>PROSTITUTION</b>
---------------------

**The challenge of change : a study of Canada's criminal prostitution laws :  
report of the standing committee on justice and human rights / by Art**

Hanger and John Maloney

Access Key: avai

Call Number: KE 9075/.C53/2006

Abstract:

This compilation includes information about prostitution in Canada, the scope of prostitution, prostitutes, drug abuse and prostitution, violence and prostitution, clientele, people who live off the avails of prostitution, the effects of prostitution, and the laws related to prostitution. Subcommittee recommendations and conclusions are given.

**A coordinated prostitution strategy and a summary of responses to paying the  
Price / Great Britain Home Office**

Access Key: avav

Call Number: HQ 232.57/.A5/C66/2006

Abstract:

This report provides a summary of the many responses received to the public consultation paper Paying the Price: a consultation paper on prostitution, and sets out the Government's Proposals for a coordinated prostitution strategy.

**A moment for boyz / by Kathy Powelson**

Access Key: avba

Call Number: HQ 117/.P69/2004

Abstract:

This report is concerned with a literature review created by the McCreary Youth Foundation. that dealt with health issues pertaining to male youth. It provides information on boys involved in the sex trade, outlines an evidence base that would assist in funding priorities, and focuses on male health.

**Evaluation of the TERF youth and adult programs / by Jane E. Ursel**

Access Key: avaw

Call Number: HQ 150/.U77/2007

Abstract:

This evaluation is designed to assess the role and contribution of TERF to the goal of reducing the exploitation of women, youth and transgendered individuals in the sex trade. The goal is to determine if the program is meeting the needs of the intended clients and involves interviews with clients as well as community agencies.

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
April 2008**

**Schools for johns: addressing the demand for commercial sex /** End Child  
Prostitution, Pornography, and Trafficking (ECPAT)

Access Key: avbd

Call Number: HQ 281/.C74/2004
