

This month's list consists of print and video resources

# **NEW LIBRARY ACQUISITIONS JUNE 2008**

## *Library Services - Contact Numbers*

*Who to contact for your Library Information needs:*

### **CIRCULATION - Harriet or Alina**

To borrow books, videos or equipment, contact:

**Harriet**                      Mondays, Wednesdays and Thursdays  
**Alina**                         Monday - PM, Tuesdays and Fridays  
Phone:                         944-6279  
Email:                         [libraryvideo@afm.mb.ca](mailto:libraryvideo@afm.mb.ca)

### **JOURNAL ARTICLE REQUESTS - Harriet**

To obtain copies of articles the Library subscribes to.

Phone:                         944-6279  
Email:                         [hminuk@afm.mb.ca](mailto:hminuk@afm.mb.ca)

### **INTERLIBRARY LOANS - Pat**

To request an Interlibrary Loan.

Phone:                         944-6277  
Email:                         [pklimack@afm.mb.ca](mailto:pklimack@afm.mb.ca)

### **REFERENCE QUESTIONS**

To obtain information on a specific topic or request a literature  
Search contact:

**Harriet** Phone:             944-6279  
Email:                         [hminuk@afm.mb.ca](mailto:hminuk@afm.mb.ca)  
**Pat** Phone:                 944-6277  
Email:                         [pklimack@afm.mb.ca](mailto:pklimack@afm.mb.ca)  
**Jackie** Phone:             944-6275  
Email:                         [jmassey@afm.mb.ca](mailto:jmassey@afm.mb.ca)

### **LIBRARY OUTREACH - Jackie**

To arrange for library orientations and presentations.

Phone:                         944-6275  
Email:                         [jmassey@afm.mb.ca](mailto:jmassey@afm.mb.ca)

The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008

**BOOKS**

**ADULT CHILD ABUSE VICTIMS – CASE STUDIES**

**Ending the cycle of abuse: the stories of women abused as children and the group therapy techniques that helped them heal / by Phillip Ney**

Access Key: avcp

Call Number: RC 569.5/.C55/N49/1994

Abstract:

This book focuses on a group treatment method for adults who have been abused as children. A dual perspective is offered for both therapist and abuse victims.

**ANGER**

**Letting go of anger: the 10 most common anger styles and what to do about them / by Patricia S. Potter-Efron, and Ronald T. Potter-Efron**

Access Key: avcu

Call Number: BF 575/.A5/P85/1995

Abstract:

Letting Go of Anger identifies ten anger styles, and the most common ways that people express or disguise anger. Through revealing self-tests and real-life examples, readers will learn to identify their own style.

**Anger, alcoholism, and addiction: treating individuals, couples and families / by Patricia S. Potter-Efron, Ronald T. Potter-Efron**

Access Key: avcq

Call Number: RC 564/.P67/1991

Abstract:

The authors present the complex relationships among anger, aggression, and chemical abuse. Principles and application for treating anger problems are presented.

**BORDERLINE PERSONALITY DISORDER - TREATMENT**

**Skills training manual for treating borderline personality disorder / by Marsha Linehan**

Access Key: avcv

Call Number: RC 569.5/.B67/L563/1993

Abstract:

This book is designed for use in skill training groups for BPD, laying out a constructive framework for both a therapist and client.

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

**COGNITIVE / BEHAVIOR THERAPY**

**Cognitive-behavioral treatment of borderline personality disorder / by Marsha Linehan**

Access Key: avcx

Call Number: RC 569.5/.B67/L56/1993

**Abstract:**

Marsha Linehan provides a guide to the cognitive-behavioral treatment of borderline personality disorder. The book covers many clinical issues that includes interpersonal validation, case conceptualization, problem solving, contingency procedures, skills training, and communication strategies.

**DRUG ABUSE**

**State estimates of substance use from the 2005-2006 National Surveys on Drug Use and Health / by Arthur Hughes and Neeraja Sathe**

Access Key: avch

Call Number: HV 5825/.S73/2008

**Abstract:**

This report presents state estimates for 23 measures of substance use or mental health problems based on the 2005 and 2006 National Surveys on Drug Use and Health (NSDUHs).

**DRUG ABUSE SURVEYS--CANADA**

**Canadian addiction survey (CAS): a national survey of Canadians' use of alcohol and other drugs : substance use by Canadian youth / Canadian Centre on Substance Abuse**

Access Key: avep

Call Number: HV 5309/.C3/C35/2007

**Abstract:**

This report takes an in-depth look at the use of alcohol and other drugs by youth and young adults aged 15-24 as well as the problems they encounter as a result of their use, their reasons for using, and the characteristics associated with such use.

**DRUG CONTROL - UNITED STATES**

**National drug control strategy / Office of National Drug Control Policy**

Access Key: avcl

Call Number: HV 5835/.N333/2008

**Abstract:**

The National Drug Control Strategy emphasizes the reduction of illegal drug use

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

through addressing the epidemiology and economics of drug availability.

**DRUNK DRIVING – CANADA - STATISTICS**

**The alcohol-crash problem in Canada: 2004** / Traffic Injury Research Foundation of Canada

Access Key: avck

Call Number: HE 5620/.D75/C263/2006

Abstract:

This report examines data on alcohol in fatally injured drivers and pedestrians, the number and percent of people who died in alcohol-related crashes, and alcohol involvement in those crashes in which someone was seriously injured but not killed.

**EDUCATION - PARENT PARTICIPATION**

**The family connection: a guide to leading parent meetings** / National Association of Elementary School Principals (U.S.)

Access Key: avda

Call Number: HQ 796/.F36/1990

Abstract:

This guide provides practical suggestions, step-by-step instructions, and scripts for organizing and carrying out parent meetings.

**FETAL ALCOHOL SYNDROME**

**Developing strategies and proposals for fetal alcohol syndrome research in Canada** / Institute for Human Development, Child and Youth Health

Access Key: avet

Call Number: RG 629/.F45/D45/2002

Abstract:

The purpose of this workshop was to bring researchers together with government and non-government agencies, communities, and individuals interested in developing collaborative research proposals for FAS. The workshop was also designed to obtain funding and identify research priorities as well as barriers and limitations to FAS research.

**FAS/E: A manual for community caring** / FAS/E Support Network of B.C.

Access Key: avdq

Call Number: RG 629/.F45/.F4835/2000

Abstract:

This FAS/E manual offers information that will help address the needs of families and affected individuals. A training component is included.

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

**Grounded in hope: our community's policy response to fetal alcohol syndrome /**  
by Chris Leischner, Dianna Nome, and Carmen Venturi

Access Key: avec

Call Number: RG 629/.F45/L45/1998

Abstract:

This document is a compilation of collaborative efforts, surveys, and analyses of key research, historic information and other factors that relate to the prevention of FAS in Prince George B.C.

**Working with Fetal Alcohol Spectrum Disorders in the school setting /** by J. Lutke

Access Key: avea

Call Number: RG 629/.F45/L88/200?

Abstract:

Working with Fetal Alcohol Spectrum Disorders in the school setting is a guideline for educators to use when dealing with students with FASD.

<b>FAMILY - MENTAL HEALTH</b>
-------------------------------

**Growing up resilient: ways to build resilience in children and youth /** By Tatyana Barankin and Nazilla Khanlou

Access Key: auxw

Call Number: BF 723/.R46/B47/2007

Abstract:

Resilience is a much talked about topic these days. Many people want to better understand what resilience is, how it is related to the healthy development of children and youth, and what they can do to strengthen resilience in the young people in their lives. Tatyana Barankin and Nazilla Khanlou answer these and other important questions in Growing Up Resilient.

<b>HIV/AIDS</b>
-----------------

**"Nothing about us without us" greater, meaningful involvement of people who use illegal drugs: a public health, ethical and human rights imperative.**

/ Canadian HIV/AIDS Legal Network

Access Key: avcz

Call Number: RA 644/.A25/N68/2005

Abstract:

This summary focuses on the main issues in the Canadian HIV/AIDS Legal Network's paper on greater involvement of people who use illegal drugs. It also maintains that people who use drugs must be involved in Canada's response to HIV/AIDS, hepatitis C, and injection drug use.

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

**INTERNET GAMBLING**

**Internet gambling: a comprehensive review and synthesis of the literature / by**

Robert J. Williams and Robert T. Wood

Access Key: avdz

Call Number: RC 569.5/.G35/W555/2007

Abstract:

Internet gambling: a comprehensive review and synthesis of the literature identifies and synthesizes the literature concerning Internet gambling.

**Internet gambling: past, present and future / by Robert T. Wood and Robert J. Williams**

Access Key: avee

Call Number: RC 569.5/.G35/W66/2007

Abstract:

Internet gambling: past present and future discusses the major trends and issues associated with Internet gambling. Specifically, it seeks to highlight crucial domains of knowledge and research on Internet gambling, as well as any resulting implications.

**INTERPERSONAL COMMUNICATION**

**Talk to me like I'm someone you love / by Nancy Dreyfuss**

Access Key: avde

Call Number: BF 637/.C45/D74/1993

Abstract:

The first home-grown set of 'Flash Cards for Real Life', these glossy cards may be used for conflict intervention with clients, colleagues, and friends.

**LIFE SKILLS - STUDY AND TEACHING (Elementary)**

**Belonging: learning to be a part of your community / by Mary Anne McElmurry**

Access Key: avdr

Call Number: BF 637/.C45/M34/1983c

Abstract:

The activities in this book are designed to assist students in developing a better understanding and appreciation for themselves, others, family and schools.

**MANPOWER POLICY**

**Labour market agreement for persons with disabilities (LMAPD) 2006/2007**

/ Manitoba Family Services and Housing

Access Key: aver

Call Number: HD 5729/.M3/A3822/2007

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

Abstract:

This Canada-Manitoba Labour Market Agreement for Persons with Disabilities (LMAPD) Report describes activities that were cost shared under the LMAPD during the 2006/2007 fiscal year.

**MEDICATION ABUSE**

**Prescription drug abuse FAQ's / by J. R. Weekes**

Access Key: avei

Call Number: REF RM 146/.W44/2007

Abstract:

Prescription drug abuse faqs provides current, objective and empirically-based information to guide discussion on prescription drug abuse in Canada.

**MEDICINE**

**The dancing healers: a doctor's journey of healing with native Americans**

/ by Carl A. Hammerschlag

Access Key: avct

Call Number: E 78/.S7/H24/1988

Abstract:

The Dancing Healers is an account of a psychiatrist's twenty-year experience with Native American healing. Of interest is the contrast between his medical assumptions and this alternate way of healing.

**MEDITATION**

**The miracle of mindfulness: an introduction to the practice of meditation / by**

Thich Nhat Hanh

Access Key: avfl

Call Number: BQ 5618/.V5/N4813/1987

Abstract:

Zen master Thich Nhat Hanh offers gentle anecdotes and practical exercises as a means of learning the skills of mindfulness - being awake and fully aware.

**MONITORING PROGRAMS**

**Community - monitoring systems: tracking and improving the well-being of**

**America's children and adolescents / by Patricia Beezley Mrazek, Anthony Biglan, and J.D. Hawkins**

Access Key: avcd

Call Number: RA 644.6/.C66/2007

Abstract:

The information found in this compilation is designed to help states, regions, and

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

communities ascertain the nature and extent of problems and resources that affect the well-being of youth. Through surveys of adolescents and archival records, local monitoring systems that provide profiles as well as estimates of problems and risks are described.

**NATURE STUDY - ACTIVITY PROGRAMS**

**Appreciating: learning to appreciate ourselves, other people and nature**

/ by Mary Anne McElmurry, Elizabeth Tang Herrick

Access Key: avdm

Call Number: BF 637/.C45/M34/1983a

Abstract:

Reproducible activities for elementary school children to help develop communication skills, promoting respect and appreciation of self, others and nature. Includes guidance for a nature walk and instructions for nature weaving and rooting plant cuttings.

**PERSONALITY DISORDERS**

**Fatal flaws: navigating destructive relationships with people with disorders of personality and character** / by Stuart C. Yudofsky, M.D.

Access Key: avcw

Call Number: RC 554/.Y83/2005

Abstract:

Fatal flaws is directed towards mental health students and trainees of all disciplines who aspire to learn more about the clinical features, biology, psychology, assessment, and treatment of people with personality disorders.

**POST-TRAUMATIC STRESS DISORDER**

**First stage trauma treatment: a guide for mental health professionals working with women** / by Lori Haskell

Access Key: avcf

Call Number: RC 552/.P67/H37/2003

Abstract:

First stage trauma treatment gives therapists key information and strategies to help women clients develop fundamental skills to manage a variety of problems that they are facing. With this foundation, women can move to other stages of treatment that involve exploring traumatic events in more detail.

**PSYCHIC TRAUMA**

**Using trauma therapy to design service systems** / by Maxine Harris and Roger Fallot

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

Access Key: avce  
Call Number: RC 552/.T7/U85/2001  
Abstract:

This issue of New Directions for Mental Health Services identifies the essential elements necessary for a system to begin to integrate an understanding about trauma into its core service programs.

**PSYCHOTHERAPY**

**The family therapy treatment planner** / by Frank M. Dattilio and Arthur E. Jongsma

Access Key: avfm  
Call Number: RC 480.55/.S39/1999  
Abstract:

The Family Therapy Treatment Planner provides formal treatment plans for family relational problems that includes long-term goals, short-term objectives, and clinically tested treatment options.

**Brief couples therapy homework planner** / by Gary Schultheis, Steffanie O'Hanlon and Bill O'Hanlon

Access Key: avfj  
Call Number: RC 488.5/.D38/2000  
Abstract:

This title contains ready-to-use, between-session exercises as they apply to a variety of therapies.

**SEX ADDICTION**

**Sex addiction: case studies and management** / by Marcus R. Earle

Access Key: avcs  
Call Number: RC 560/.S43/E23/1995  
Abstract:

Sex Addiction: Case Studies and Management concentrates on an innovative therapeutic program for sex addicts and their families that requires a multidimensional approach. This approach includes treatment of those with addictions; sex offenders and victims of sexual abuse; couples therapy; family therapy; group therapy; the expressive therapies; sex therapy; child therapy when applicable; and edu-therapy.

**SOCIAL PROBLEMS**

**Hard times: a portrait of street level social problems in Western Canada** / by Karen Wilkie and Loleen Youngman Berdahl

Access Key: avdb  
Call Number: HV 110/.C5/W55/2007

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

Abstract:

Hard Times provides an overview of the street level social problems in western Canadian cities from the perspectives of frontline workers, experts, and community leaders.

<b>SUBSTANCE ABUSE</b>
------------------------

**Achievement and addiction** / by Edgar P. Nace

Access Key: avco

Call Number: RC 564.5/.P76/N33/1995

Abstract:

This title examines the psychodynamic, social, and biological factors that interact to culminate in the impaired professional. It includes a practical guide to the treatment of professionals, providing further information about the roots of addiction as well as the neurochemical mechanisms of major drugs of abuse.

**Clinical textbook of addictive disorders** / Sheldon I. Miller

Access Key: avcn

Call Number: RC 564/.C55/1991

Abstract:

This textbook discusses the history of addictions, the consequences of addiction to various drugs, diagnostic issues, and problems with special populations.

**Introduction to addictive behaviors** / by Dennis L.Thombs

Access Key: avcr

Call Number: RC 564/.T55/1994

Abstract:

Introduction to Addictive Behaviors is written for a beginning counselor who has little experience with the treatment of alcohol and drug dependence. As a training text, this title explores theories, disease models, psychoanalytic formulations, and theories based on conditioning, social learning, family systems, and sociology.

<b>SUBSTANCE ABUSE - TREATMENT</b>
------------------------------------

**National voluntary consensus standards for the treatment of substance use conditions: evidence based treatment practices /**

Access Key: avcg

Call Number: RC 564/.N38/2007

Abstract:

The National Quality Forum conducted a workshop that addressed the need for quality measurement and reporting for substance use conditions. This project builds on that workshop by assembling more detailed evidence-based practices for treatment.

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

**Treatment Episode Data Set (TEDS): highlights 2006: national admissions to substance abuse treatment services /**

Access Key: avcm

Call Number: RC 564/.T743/2008

Abstract:

This report presents summary results from the treatment Episode Data Set (TEDS) for 2006. Included is information on demographic and substance abuse characteristics of the 1.8 million annual admissions to treatment facilities that report to individual State administrative data systems.

**TEENAGERS - DRUG USE**

**Nova Scotia student drug use 2007: highlights report /** by Christiane Poulin and Wanda Mcdonald

Access Key: avcj

Call Number: HV 5824/.Y68/N68/2007

Abstract:

The 2007 student drug use survey is a combined effort by all of the Atlantic provinces. Standardized data was collected and analyzed on the prevalence of drug use among students.

**BOOKS (FRENCH)**

**CANADIENS FRANCAIS – COMMERCE – MANITOBA - RÉPERTOIRES**

**Annuaire des services français au Manitoba /** Canada. Société franco-manitobaine

Access Key: avdg

Call Number: HM 33/.A2/2003

Abstract:

Répertoire des entreprises qui peuvent faire des affaires en français au Manitoba.

**D'ENTRETIEN A LA METHADONE**

**Meilleures pratiques: traitement d'entretien a la méthadone /** Canada. Santé Canada

Access Key: aocv

Call Number: RC 568/.M4/B47/2002

Abstract:

Le traitement d'entretien à la méthadone (TEM) fut d'abord adopté il y a presque quarante ans pour traiter les symptômes de sevrage des personnes souffrant de dépendance aux opiacés. De nos jours, dans de nombreuses régions du monde,

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

le TEM est largement reconnu comme un élément clef d'une stratégie complète de prévention et de traitement de la dépendance aux opiacés. Au moment du présent rapport, la méthadone reste encore le seul opioïde autorisé au Canada pour le traitement pharmacologique ambulatoire à long terme de la dépendance aux opiacés.

**Recension de la documentation : traitement d'entretien a la méthadone /**

Canada. Santé Canada

Access Key: aoct

Call Number: RC 568/.M4/B48/2002

Abstract:

Le traitement d'entretien à la méthadone (TEM) fut d'abord adopté il y a presque quarante ans pour traiter les symptômes de sevrage des personnes souffrant de dépendance aux opiacés. De nos jours, dans de nombreuses régions du monde, le TEM est largement reconnu comme un élément clef d'une stratégie complète de prévention et de traitement de la dépendance aux opiacés. Au moment du présent rapport, la méthadone reste encore le seul opioïde autorisé au Canada pour le traitement pharmacologique ambulatoire à long terme de la dépendance aux opiacés.

**DES PERSONNES AINEES—USAGE DES DROGUES**

**Meilleures pratiques : traitement et réadaptation des personnes âgées ayant des problèmes attribuables à la consommation d'alcool et d'autres drogues /**

Canada. Santé Canada

Access Key: avdy

Call Number: HV 5824/.A33/B47/2002

Abstract:

Le but de ce projet est d'identifier les meilleures pratiques en traitement et réadaptation et les programmes de traitement et réadaptation spécialisés, pour les personnes âgées ayant des problèmes attribuables à la consommation d'alcool et d'autres drogues et d'identifier les programmes de traitement spécialisés qui visent les problèmes attribuables à la consommation d'alcool et d'autres drogues pour les personnes âgées au Canada. Le projet a été lancé par Santé Canada et fait partie intégrante du Plan de recherche développé par le Comité fédéral/provincial/territorial sur les questions liées à l'alcool et aux autres drogues.

**DOPAGE DANS LES SPORT--CANADA**

**Étude scolaire provinciale sur l'usage de substances dans les sports : rapport Final (November 1998): etude / by Natacha Llorens**

Access Key: aveo

Call Number: RC 1230/.L46/1998

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

Abstract:

L'attitude des jeunes envers le dopage sportif.

**HÉPATITE C – PRÉVENTION / INFECTIONS À VIH - PRÉVENTION**

**Répondre a l'urgence par l'éducation, l'action sociale et les services communautaires : portrait d'un organisme dirigé par des utilisateurs de drogue : étude de cas du VANDU (Réseau des utilisateurs de drogue de la région de Vancouver) / by Thomas H. Kerr**

Access Key: aoid

Call Number: RA 644/.A25/R47/2001

Abstract:

Décrit la méthodologie utilisée, l'histoire et la philosophie du programme, la fonction du programme, la réaction au programme et des plans pour l'avenir.

**INDIENS D'AMÉRIQUE, SERVICES AUX – MANITOBA - RÉPERTOIRES**

**Premières Nations profile des communautés, 2001- 02: région du Manitoba / by Robert Nault**

Access Key: avdf

Call Number: MFR/ E78/.M3/ 2001

Abstract:

Profil des communautés des Premières nations dont l'histoire, la langue, la réserve, population, gouvernement de la Première nation, les revendications de droits fonciers, l'enseignement, les services de santé, les services a l'enfants et a la famille, services communautaires, l'infrastructure et les entreprises et de services commerciaux.

**JEUNESSE - JEU**

**Sans laisser sa chemise: autres activités et projets en classe / Manitoba. Fondation manitobaine de lutte contre les dépendances**

Access Key: avdx

Call Number: REF RC 569.5/.G35/.S36/1999

Access Key: avdh

Call Number: KEM 592/.C57/2002

Abstract:

Un guide pour la justice pénale pour les adolescents Loi.

RESSORT PSYCHOLOGIQUE

**Enquête sur le ressort psychologique des communautés / by Miriam Stewart**

Access Key : avds

Call Number : RA 427/.S88/1999

Abstract :

Le ressort psychologique, c'est-à-dire la capacité de se rétablir rapidement, a été étudiée du point de vue des personnes et de celui de la famille. Il n'est pas évident, cependant, que les caractéristiques de ce concept s'appliquent à l'échelle de la collectivité. Pour mieux comprendre le ressort psychologique et son application possible dans la promotion de la santé et les programmes de santé des populations, nous avons effectué une enquête portant sur trois petites communautés du Canada atlantique qui ont été durement touchées par l'effondrement de l'industrie des poissons de fond. Les trois communautés choisies comme sites pour cette enquête furent l'Isle Madame et Chéticamp, au Cap-Breton, en Nouvelle-Écosse, et Dildo, dans la région de Trinity Bay, à Terre-Neuve.

SANTÉ MENTALE ET D'ALCOOLISME ET DE TOXICOMANIE

**Meilleures pratiques: troubles concomitants de santé mentale et d'alcoolisme et de toxicomanie / Canada. Santé Canada**

Access Key: anhr

Call Number: RC 564.68/ .B48/ 2002

Abstract:

**DRUG TREATMENT COURT**

**The revolving door and the road to recovery**

Access Key: aven

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

Call Number: DVD/RC 564/R4/2004

Abstract:

Reduce drug dependency and reduce the number of crimes committed to support it. This simple yet powerful concept lies at the core of the Drug Treatment Court of Vancouver. Non-violent offenders participate in this innovative and rigorous court-supervised treatment program that helps them to become drug free and change their lives.

**FETAL ALCOHOL SYNDROME**

**Worth the trip: children affected by fetal alcohol**

Access Key: amia

Call Number: DVD/RG 629/.F45/W6/1997

Abstract:

This video is for caregivers of children affected by fetal alcohol - parents, teachers, and others who face untold challenges of their own as they discover new ideas, and practical strategies to help their children and themselves. Part 1 "What Families need to Know", presents an in depth discussion of common behavior and development issues from infancy to age 8, and while not a diagnostic tool, it does discuss psychological and physical traits that may indicate FAS/FAE. Part 2 "Teaching and Learning", offers strategies to help young children at school. It covers speech and language delays, sensory integration problems, eating, health and development, activity levels, sleep, behavioural concerns, siblings, effects on family, friendships, and self-care for caregivers.

**NATIVE PEOPLES – CANADA - SUBSTANCE USE**

**Donna's Story**

Access Key: amjo

Call Number: DVD/HV 5137/.D6/2001

Abstract:

An intimate portrait of a fiercely determined survivor, "Donna's Story" profiles a Cree woman who left behind a bleak existence on the streets. She has re-emerged as a powerful voice counselling Aboriginal adults and youth about abuse and addiction.

**SUBSTANCE ABUSE**

**The Addicted brain**

Access Key: armb

Call Number: DVD/QP 356/.A3/2003

**The Addictions Foundation of Manitoba  
Library  
New acquisitions  
June 2008**

**Abstract:**

This documentary takes viewers on a tour of the world's most prolific manufacturer and user of drugs - the human brain. The bio-chemistry of the brain is responsible for joggers' highs, for the compulsion of some people to seek thrills, for certain kinds of obsessive-compulsive behavior, even for the drive to achieve power and dominance. The program explores developments in the biochemistry of addiction and addictive behavior.

**The Hijacked Brain**

Access Key: avem

Call Number: SDVD/QP 356/.H5/1998/V.2

**Abstract:**

Aided by powerful new diagnostic tools, scientists are making dramatic discoveries about how addiction affects the brain. In this program, Moyers goes into the laboratory to follow researchers engaged in charting an "image of desire in the brain."

**Motivational Interviewing : Professional Training**

Access Key: aupi

Call Number: SDVD/RC 533/.M56/1998

**Abstract:**

Provide and introduction to motivational interviewing. They are intended a a professional training resource. The tapes were not designed to be used as a stand-alone form of training, but form only one part of a thorough presentation of the approach and skills involved in motivational interviewing. Because it is often helpful to see a method demonstrated in various contexts, the tapes show a variety of therapists and counselors practicing the component skills of motivational interviewing.
