Policy Statement:

On behalf of the citizens of Manitoba, the Board of the Addictions Foundation of Manitoba shall govern emphasizing a strategic perspective on the long-term needs of Manitobans seeking our services. The Board, in its deliberations, shall encourage diverse points of view from the governors of the Board before making decisions. The decisions of the Board shall reflect a clear distinction between the roles of the Board and the Chief Executive Officer. The legitimacy of such decisions shall be confirmed by its consistency with the bylaws and policies that govern Board operations and through the rationale that each decision is the collective decision of the Board.
