

Is Yours an Active Living Community?

Updated
1996

Does your community encourage and support:

Yes

No

- green spaces, gardens, and woodlots? Yes No
- a balance between development and preservation of the natural environment? Yes No
- municipal land use policies that favour the Active Living concept? Yes No
- clean air to breathe; clean water to swim in? Yes No
- safe streets, neighbourhoods, and places to play? Yes No
- community events that promote and integrate Active Living perspectives? Yes No
- parks that accommodate walkers, joggers, cyclists, roller blades and wheelchairs? Yes No
- a system of trails that connect neighbourhoods, parks, community services and workplaces? Yes No
- programs and facilities that are community-based, flexible, and reflect the needs of the members of the community? Yes No
- equal distribution of services for all community members? Yes No
- partnerships that increase the effectiveness, and reduce duplication, of programs and services? Yes No
