

Created 1998

first step to creating that awesome choir or promoting healthy choices is to get involved.

Invite Leaders

As a commitment to the prevention of addictions, we want to encourage as many people to *Raise Their Voices* and get involved. To help your group invite the community leadership, we have included a form letter that can be easily modified to invite your community leaders' participation in Addictions Awareness Week . Be clear on what you expect your invited guests to do. Include the date, time and location of the event you are inviting them to.

Leadership Involvement

Your guests could participate in your planning committee, participate in a public forum, get sports leagues involved, involve the media, encourage the public sector involvement, ... the possibilities are endless!

HOW TO FORM A WORKING GROUP IN YOUR COMMUNITY OR ORGANIZATION

See the "Manitoba Addictions Awareness Week Brochure", in Section 5

REPRODUCIBLE, for step by step guidelines for establishing an Addictions
