

Manitoba Addictions Awareness Week

Marijuana.....True or False or ??? *Updated 2008/09*

Marijuana - Activity 1

- ✓ Place a check mark (✓) next to the statements that you believe are accurate.
- ✓ Place an X (×) next to the ones you believe are false. If you indicate a statement is false, write down why you believe it is inaccurate.
- ✓ If you are not certain whether or not a statement is true or false, place a question mark (?) next to it and write down the question(s) you would like answered in order to determine the statement's accuracy. If you still have questions having read the answers, do some research at your school, community or AFM Libraries.

ANSWERS ARE ON THE REVERSE OF THIS PAGE

✓ or × or ?
